NEW YORK STATE

Parks, Recreation and Historic Preservation

This topographic map of Clarence Fahnestock Memorial State Park features a detailed trail network color-coded by type: red for marked trails, blue for multi-use trails, and green for other park lands. The map includes numerous icons for facilities such as campgrounds, parking areas, and scenic views. Key geographical features include Canopus Lake, Clear Lake, and several smaller ponds like Puckling and Westward Lake. The map also shows the boundaries of Dutchess and Putnam counties, major roads like Route 301 and Route 9, and various contour lines indicating elevation. An inset map in the bottom left corner provides a closer look at the Canopus Lake area, highlighting trails like the Appalachian Trail (ATC) and the Snow Bunting (SB) trail. The map is produced by the NYSOPRHP GIS Bureau and includes contact information for park offices and emergency services.
